

INFORMATION TECHNOLOGY SUPPORT SPECIALIST

Farmers Bank & Trust in Great Bend KS is looking for a full-time employee as our Information Technology Support Specialist. This employee must have a positive attitude, be self-motivated, have the ability to multi-task, be detail oriented and accurate, and be a dependable team player.

The Information Technology Support Specialist's role is to provide support for the bank's technology and information systems. This position will work with authorized third party vendors on projects and day-to-day bank operations. This position will also assist with the implementation of IT programs and controls required by the FFIEC, ensuring audit and regulatory compliance. Works under direct supervision of the Western KS Market President. Responsibilities include:

- Conduct operations in support of the bank's information technology systems
- Troubleshoot, resolve and/or escalate technical issues
- Open and close tickets
- Correlate events and incidents for management

Requirements include the following: Associate degree or equivalent combination of training and experience in the IT Field.

FARMERS BANK AND TRUST IS AN EQUAL OPPORTUNITY EMPLOYER/VETERANS/DISABLED
